Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Monitor and analyze students' data in reading over short, medium and long term assessment cycles.
- Implement and monitor differentiated learning plans for all students.
- Build teacher capability through targeted professional development.
- Implementing daily literacy blocks and early interventions based on Dr Lyn Sharratt’s School Improvement Parameters 3 and 5.
